“Delight in the Lord”, the theme of this year’s Annual Year Book could be said to be most appropriate in times like this. This theme which is more like an advice or passionate appeal, taken from Psalms 37:4 has a benefit for adhering positively to it – “Delight yourself also in the Lord, and He shall give you the desire of your heart”.

Having successfully completed their six years secondary school education, the graduating classes of ESS Miango, especially the SS3 thought it wise to find joy in the things of God. This is the one very important way of attracting God’s blessings. In other words, to receive the blessings of God and experience the beautiful things of life that one desires, the sure way is to pick interest in the Lord.

In this fourth edition of The Dove, there is an avalanche of articles, poems, reports, jokes, wise sayings, stories, cartoons, puzzles and lectures that teach one lesson or another. There are, of course, pictures of different recent developments in and about the school.

Sure, there is something to pick up as you bend to read the content of this publication. Big and small, young and old, this is a must-read. Get one for yourself and give one to a friend.

To all our sponsors, especially Longman Nigeria PLC; our contributors, particularly Prof. Naomi N. James-Rugu (Professor of Zoology); the distinguished members of the Editorial Committee, and in fact the entire staff and students of ESS, Miango, I salute your cooperation and encouragement to the success of this Magazine. May the good Lord meet us all with the desires of our hearts as we delight in Him. Amen.
