

**EXTRACT FROM PREFACE WRITTEN BY ATII TERVER PETER,
GENERAL COORDINATOR
ON POSTGRADUATE YEAR BOOK 1998 FROM 1997/98 M.ED. STUDENTS
IN THE DEPARTMENT OF SPECIAL EDUCATION, UNIVERSITY OF JOS,
JOS, PLATEAU STATE, NIGERIA**

This Postgraduate Year book shows who is who in the 1997/98 M.Ed. Students in the Department of Special Education, University of Jos, Jos, Plateau State, Nigeria.

The purpose of this year book is to have something to fall back to when members of this 1997/98 PG set want to recall the personalities of the class and reach them through this medium. It is but normal for members traveling out of station to remember that they have course mates somewhere around their destination. Above all, the good intention of this year book is the fact that after being trained as highly educated administrators some of our mates might hold higher positions in the public/private sectors of the economy which might benefit one in one way or the other.

In addition, this year book will facilitate the formation of 1997/98 alumni association to help our alma mater.

On behalf of all Postgraduate Students of the Department of Special Education, I express my profound gratitude to the Vice Chancellor, Prof. Nenfort E. Gomwalk; Deputy Vice Chancellor Administration, Prof. Bashir; Deputy Vice Chancellor Academic, Prof. Onumanyi; the Dean of School of Postgraduate Studies, Prof. A. Odumuhl, the Deputy Dean, Dr. (Mrs.) Naomi N. James Rugu; the Secretary, Mrs. Esther Bigun; the Dean of Education, Prof. S. U. Udoh; the Sub Dean, Associate Professor, J.J. Umolu; all the Heads of Departments; Academic and Non-academic staff of the Faculty of Education for their support in making this great Project a success.

I must not fail to thank our able Lecturer, Dr. E.D. Ozoji for encouraging us in this project and ensuring its successful production.

In this wise, therefore, our most sincere thanks go to the Almighty God inspiring and protecting us throughout the period of our studies irrespective of the enormous challenges in doing this.

Thank you all and may God bless. Amen.

Atii, Terver Peter

General Coordinator
